

### Four Halldale Kids Invited On TV House-Party

Four Halldale Sea-ol children have been picked to appear on Art Linkletter's House Party viewed daily by millions of coast-to-coast television watchers and heard by millions more over the radio.

The children, Joseph Obmar, Glen C. Moffatt, Georgia Mason and Diana Pruss, will appear on the show Nov. 12. The program originates from CBS Hollywood studio at 11:45 a.m.

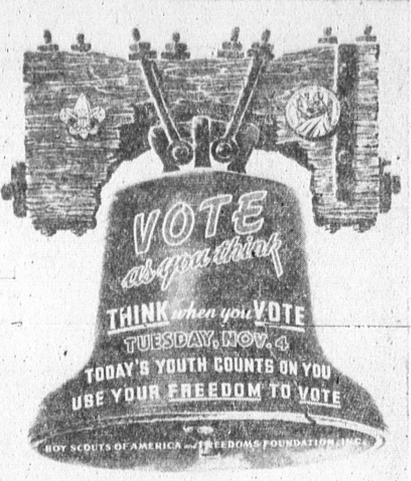

All of the children except Georgia are five years old and in kindergarten at Halldale. Georgia is 6 and is in the first grade.

**BELL RINGERS** . . . Just before election day, Nov. 4, the nation's Boy Scouts will place on the doorknobs of 30,000,000 homes Liberty Bell cutouts, shown above, urging every citizen to vote. Their "Get Out the Vote" campaign is being conducted in cooperation with Freedom Foundation. It is entirely non-partisan, without reference to any candidate or party.

### Scouts Plan Drive to Get Voters Out to Polls On Election Day

In a gigantic effort to induce every voter, no matter what his politics, to go to the polls next Tuesday, Cub Scouts, Boy Scouts and Explorers of Harbor Scout district will distribute door-knob hanger reminders of election day to every house in this area Saturday, Nov. 1.

According to Rowland Erickson, district activities chairman, local Scouts are participating in the "Get Out the Vote" campaign as part of a good turn to the nation by the Boy Scouts of America. The Scouts hope to reach every home in the country to substantially reduce the fig-

## Searchers Comb Hilly Areas In First CD Radio Operation

"10:00-missing since 8 a. m., 5-year-old girl dressed in red sweater and blue denim pants; last seen in hills by Torrance Palos Verdes boundary."

"10:05-Civil Defense cars No. 1 and 2 dispatched by radio to cover the area from Riviera School to Hawthorne Ave."

Operation Test—Search was conducted by Torrance Civil Defense officials and amateur "ham" radio operators from the South Bay area Sunday morning as the city's new disaster radio gear went through the paces—with flying colors.

### Rock Throwing Thief Makes Off With Reels, Rod

Fishing poles and reels were stolen from the Lovelady Hardware Store, 1967 Carson St., by a thief who tossed a brick through a plate glass window to gain entrance late Saturday night.

Torrance detectives said that the suspect was seen leaving the store by Don Wright, of 1958 Carson St., but Wright was unable to obtain a license number.

### Letter Carriers To 'Walk' For Cerebral Palsy

Representing Torrance Letter Carriers branch 2207 at the annual convention of the Cerebral Palsy Assn. of Los Angeles County last week were Mr. and Mrs. Earl Sumpter, of Torrance.

The convention, held at the Beverly Hills Hotel, was attended by leading doctors and specialists as well as others vitally interested in stamping out the dreaded illness, it was stated.

quarters at the Torrance downtown fire station to the hilly areas of Hollywood Riviera and south Walteria. These locations have proven to be dead spots for the regular police-fire radios.

George Powell, assistant director of Civil Defense, directed the "search," aided by Carl Yeaman, local "ham," and Bill Guimont, builder of the radio system.

Two radio-equipped cars—assigned to City Manager George Stevens and Chief of Police John Stroh—were called into action.

Both were able to keep in constant contact with headquarters and talk "car to car" throughout the test—even in the known dead spots.

Ham operators from Malibu, Inglewood and Lennox reported that the Torrance signals were "loud and clear" from those areas.

On Ham Band  
CD radio operates on a wave length assigned to amateurs in order that all available radio equipment could be activated in an emergency.

One amateur, driving on Hawthorne Ave. in Lennox, heard the Torrance messages and asked if he could participate in the search test.

He was "piloted" to the headquarters over the air.

W6JID, the same call used by Guilmont, who operates the JIDGO company, builders of electronic equipment.

Allocation of a permanent frequency within a ham band for the station is expected shortly.
